GASKET**

PT. GLOBAL BENUA BAJATAMA

ABOUT US

WHO WE ARE

PT Global Benua Bajatama founded in 2019 is a company engaged in providing various types of pipes and fittings to shipyards, oil and gas companies, and other industries. We are determined to provide quality and competitive products.

With persistence and consistent management in optimizing the supply chain from suppliers, as well as maintaining good relationships with stakeholders we aim to achieve our goal in providing quality products.

OUR VISION & MISSION

“To excel as the leading supplier in our industry, renowned for delivering unmatched value through the highest quality products, exceptional service, and proactive problem resolution.”

“Committed to affordability, ensuring competitive prices, consistent product availability, and unwavering quality assurance, all while fostering enduring customer relationships.”

JALAN KERAPU NO. 88 BATU AMPAR-BATAM

WHY CHOOSE US?

Competitive

We are committed to offering competitive pricing through the strategic utilization of manufacturing facilities that consistently produce high-quality goods with efficiency and effectiveness

Commitment

We are steadfastly dedicated to delivering excellence in service, whether prior to or following your engagement with us. Your valuable feedback and constructive criticism play an integral role in our continuous efforts to enhance the quality of our service

Product Quality

We are resolutely committed to delivering products with certificates and specifications that precisely align with the requirements of our esteemed partners

Availability of Goods

We are resolute in our commitment to consistently deliver products punctually, in strict adherence to our commitments to our partners, thereby mitigating unnecessary costs

OUR PRODUCTS

- Pipe
- Flanges
- Fittings
- Structural Steels
- Scaffolding
- Valves
- Gasket
